To: Whom It May Concern:

I am writing this letter in regards to Mr. James Samples, whom I've had the opportunity to work with for fourteen plus years. On projects such as schools and various factories, he has proven to be professional and his work ethic has always been outstanding and thorough. He is contentious in making sure he communicates any needs that he may have. I have always had a good rapport with Mr. Samples and would recommend him for any job opportunities of any size.

If you have any further questions please contact me.

Thank you, William Bond
